## ULTRASUEDE® RIVIERA: LUXURY IN MOTION

From Ultrasuede®, the world's most advanced ultra-microfiber, comes Riviera, the luxurious fabric specially engineered to meet the demands of yachts, cruise ships, RVs, aircraft and auto interiors.

Count on Ultrasuede® Riviera for ultimate ease of care as well as luxurious aesthetics that compliment the most elegant interior design.

- **Soft, plush suede hand for interior walls, trim and headliners**
- **Soothing to the touch at any temperature, in any climate**
- **Ideal for RVs, yachts and other marine craft—stands up to food and beverage spills, suntan lotion and even salt water**
- **Resists sagging, crocking, pilling and shrinking**
- **Spot-cleanable and washable**
- **Palette includes a wide selection of today's most sought-after whites, off-whites and subtle neutrals**
- **Excellent colorfastness**
- **Optional antimicrobial treatments available to resist microbes, bacteria, mold and mildew**

## CARE INSTRUCTIONS

### Everyday Upkeep

A quick once-over with a lint brush will restore the sensuous nap and soft luster of Ultrasuede®. Periodically, it's also a good idea to vacuum the fabric and then dust it gently but thoroughly with a well-wrung damp white cloth or sponge.

### Spot Cleaning

Gently pat spills with a paper towel until absorbed. For dried-in soiling, lightly brush or vacuum the stained area. If this doesn't work, try wiping the stained area from the outside in with a well-wrung white cloth dampened in lukewarm water.

### Oil-Based Stains

Try to wipe up oily stains as much as possible—without spreading the stain—with a dry cloth or paper towel. Then, pat the stained area with a white cloth soaked in ethyl alcohol from the outside in, and pat the loosened dirt and oil off with a dry cloth. Repeat if necessary.

### Old or Stubborn Stains

Try the spot-cleaning treatment described above; even non-water-soluble stains often require subsequent treatment with water. If staining persists, try treating with ethyl alcohol.

**Caution:** Never pour a cleaning product directly onto Ultrasuede®. Also avoid wiping with colored cloths as they may transfer dye.

Visit [www.ultrasuede.com/about/care](http://www.ultrasuede.com/about/care) for more detailed instructions.

## SPECIFICATIONS

Style: 528

Width: 58"

Put-up: 33 yard R.O.T.

Weight: Approx. 7.8 oz. per square yard

Thickness: 0.9 millimeter

Fiber Fineness: 0.19 denier

Composition:

100% polyester ultra-microfiber, non-woven with non-fibrous polyurethane binder

CHARACTERISTICS	MEETS OR EXCEEDS
F/R Rating:	ASTM E84 UFAC Can be treated to meet FMVSS302 specifications
Tensile Strength:	ASTM D 5034
Tear Strength:	ASTM D 5733
Dimensional Stability:	ASTM D 3597
Colorfastness to Crocking:	AATCC 8 Wet Procedure Dry Procedure
Colorfastness to Light:	ASTM G154
